

**INTERCONNECTION CONSULTING** is an international market research and consulting company with offices in Vienna, Bratislava, Lviv, Oberstdorf (Germany), und Buenos Aires. We develop and implement tailored solutions for our customers in the areas of market research, strategy development, sales optimization, and online marketing.

We now have the following opening at our **Bratislava** office:

### **Digitalization and IT Support Specialist**

#### **What you will be doing**

- Performing various admin functions in our IT department
- Implementing concepts for our CRM tools
- Managing our website, including image editing and graphic design
- Supporting our Google AdWords campaigns
- Implementing social media campaigns on LinkedIn, Xing, etc.

#### **What we are looking for**

- You are both an analytical thinker and a “people person”
- You have experience as an IT admin (PC maintenance, etc.)
- You have very good skills in either German or English
- You are very comfortable working with Microsoft Office tools
- You are familiar with Adobe Photoshop and graphic design
- You have experience with CMS tools such as WordPress (Content management support only. Programming skills are not required.)

The minimum gross starting salary for this position is €X,XXX per month. Your actual salary will be based on your qualifications.

This is a full-time or a part-time position.

If you would like to contribute to the future of Interconnection Consulting together with a motivated, friendly group of colleagues, then please send your application to Mr. Raphael Amschl at:
